DEVELOPMENT EXPERIENCE

Web Developer | Visible Body

Framingham, MA 2/2022-11/2022

Worked on agile teams providing support for a web app interfacing with APIs. Collaborated with Product Owners, UI Designers, and artists to implement design features. Presented at biweekly sprint reviews. Among projects worked on:

- Implementation of Google SSO;
- Redesigning sign-in and sign-up pages and optimizing them for mobile devices;
- Updating the version of Bootstrap used;
- Creating a roles and permission system for institutions using the CanCan gem.

General Assembly | Software Engineering Immersive

Remote 9/2019-2/2020

Intensive course in software development comprising over 400 hours of professional training. Utilized a project-based approach to learn software development skills including:

- JavaScript;
- React;
- Ruby on Rails;
- Node.js;
- Git;
- HTML5;
- CSS3
